
TRAY HOLDER ARMS

EXPERIENCE AND INNOVATION
SINCE 1948

M92001040_rev4_ENG

TRAY HOLDER ARMS

To have close at hand everything you need to work, the new tray holder arm has a **completely refurbished design** and **enhanced performance**.

The new tray holder arm has the ability to move in all directions the **support table with a new design**, while keeping it **perfectly aligned**.

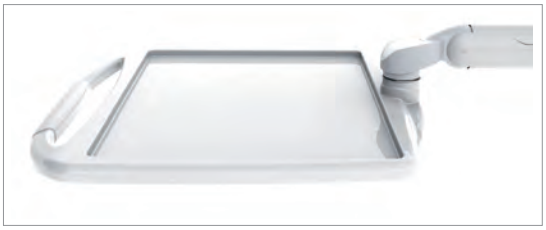
PRACTICAL AND FUNCTIONAL DESIGN

A PRACTICAL AND RESISTANT SYSTEM

By loading the table (up to maximum 3 kg) after having placed the tray, the system can be easily locked by turning the locking knob on the clutched arm.

ERGONOMIC HANDLE

The new ergonomic handle enables the tray to move in any direction and stop in the desired position very easy and with maximum accuracy.



AUTOCOMPENSATOR ARM

The autocompensator arm ensures perfect stability of trays.
